

# TECHNOLOGY CONSULTING

Empowering Innovation

Driving Digital Transformation  
for Sustainable Growth

[start presentation](#)

# INTRODUCTION

Industries face numerous challenges in today's globalized world, with recruitment being one of the most critical. Talixy is a flagship organization delivering end-to-end recruitment solutions across both IT and Non-IT sectors. We are committed to placing the right talent in the right organizations by understanding both client needs and candidate aspirations. Our expertise includes executive leadership hiring, recruitment process outsourcing, permanent staffing, and payroll management. At Talixy, we focus on providing creative and innovative solutions to address complex recruitment challenges effectively.

We offer a range of consulting services designed to help organizations navigate digital transformation with clarity and confidence. Each service is tailored to your business goals, combining strategic insight with technical expertise to deliver measurable results.

# OUR SERVICES IN IT & NON-IT

## Startup Hiring Services

Supporting emerging businesses with the right talent to scale quickly and efficiently.

## Mid-Large Size Company Hiring

Providing skilled professionals tailored to the needs of growing organizations.

## Leadership Search

Identifying and recruiting experienced leaders to drive organizational growth.

## Headhunting Services

Proactively sourcing top talent for niche and hard-to-fill roles.

## Executive Search

Specialized hiring for senior-level and critical positions across industries.
